

3 October 1962

Mr. Graham A. Trevaskis
Department of Social Science
State University
Plattsburgh, New York

Dear Sir:

This is in reply to your request dated 18 September 1962 which was addressed to the Foreign Documents Division of this Agency.

We do not make available to the public details of publications or reports issued by the Agency; neither do we have any mailing lists.

However we along with other Governmental agencies pass many translations in the scientific and technical field to the Office of Technical Services, Department of Commerce, and in the economic and political field to the Library of Congress. OTS and the Library of Congress in turn make such material available to the public.

I am sorry we cannot be of service to you.

Sincerely,

Paul A. Borel
